“Breeze of the past...”

Natural, elegant, luxurious and sophisticated...

Masterpieces in every culture are in stone forms for thousands of years to inspire to today's World. It is a guide to the researches of the culture, the education, the religion, the health, the art, and the sports.

The memories and the secrets are kept in the Stones...

It is sometimes a paver on the ancient street, an arch on a mosque, a column in a gorgeous palace, a mosaic in a church or flooring in a chateau...

When we visit these places, we also became a part of that history. Our memories and secrets are sealed to the stone because it is natural and alive...

Blending the past with today's technology, Temmer brings the traces of ancient history to present with a new collection...

“Geçmişten esintiler...”

Doğal, zarif, lüks ve sofistike...

Binlerce yıl önce yapılan ve bugünün dünyasına ilham veren, başyapıtlar her kültürde taş formlarında inşa edilmiştir. Bunlar günümüzdeki kültür, eğitim, din, sağlık, sanat, spor alanındaki araştırmalar için bir rehber niteliğindedir.

Anılar ve sırlar taşlarda gizlidir...

Bazen tarihi bir sokakta kaldırım taşı, camide bir kemer, muhteşem bir sarayda bir sütun, bir kilisede mozaik ya da bir şatoda zemin kaplama...

Bu yerleri ziyaret ettiğimizde, biz de bu tarihin bir parçası haline geliriz. Bizimde anılarımız ve sırlarımız taşa işlenir, çünkü o doğal ve canlıdır.

Bugünün teknolojisi ile geçmişi harmanlayan Temmer, yeni Antik Koleksiyonu ile geçmişin izlerini günümüze taşıyor...
